**CANADA SUMMER JOBS PROGRAM:**

The parish recently was informed that it would not  
 receive funding to hire a summer student this summer.  
 The decision is based on the Liberal Government's  
 discriminatory attempt to override our Charter of rights  
 enshrined in the Canadian constitution. For the first time  
 in several years, our application was unsuccessful. We  
 have received information that dozens of parishes and  
 faith-based organizations across the country that declined  
 to “tick the box” or ticked the box and crossed out the  
 statement that referred to “reproductive rights” were also  
 unsuccessful. The consequence of this action on the part  
 of the federal government is that many parishes,  
 churches, and organizations will not have the benefit of  
 having a student for the summer. One of our core beliefs  
 is that human life, created by God, is sacred. For this  
 reason, we oppose the practice of abortion. Parishioners  
 may wish to contact their Member of Parliament to  
 express their disagreement with this new and unjust  
 requirement of the Canada Summer Jobs Program:
